## EXECUTIVE SUMMARY

### **BCJ - Quarterly Monitoring & Compliance Report (October – December 2024)**

During the period October - December 2024, fourteen (14) Notices of Breach of Licence were issued: thirteen (13) to broadcast radio licensees and one (1) to a broadcast television licensee.

Forty-one (41) contacts were recorded for the period under review. Of this number, seventeen (17) were complaints which resulted in investigations of broadcast radio and broadcast television licensees. Twenty-four (24) were queries and comments about other operational issues pertaining to licensed operators and the work of the Commission.

All seventeen (17) complaints were matters relating to content standards. This represented an increase of four (4) when compared with the previous quarter.

Regarding technical matters, twenty-two (22) broadcast radio licensees were inspected to determine their coverage in St. Catherine.

In relation to the payment of the annual licence fee, eleven (11) STV operators, or 28% of all licensees paid in full; seven (7) or 18% made partial payments and twenty-one (21) or 54% were non-compliant. There was an increase in the number of full payments recorded when compared to the previous quarter and there was also an increase in the number of licensees who made partial payments. There was a decrease in the number of non-compliant licensees.
