Statement on Radio Jamaica Limited's Request for Temporary Suspension of Commercial Sound Broadcasting Licences

Kingston, Jamaica – The Broadcasting Commission has received a formal request from Radio Jamaica Limited for the temporary suspension of its commercial sound broadcasting licences for Hitz 92 FM and Power 106 FM.

The Commission is consulting with the Minister of Education, Skills, Youth and Information in keeping with the statutory and licencing framework governing broadcasting services. A further update will be provided once consultations have been concluded and the appropriate course of action determined.
