### **Statement on Removal of Cable Channels**

**Kingston, Jamaica** – In light of public queries and discourse surrounding changes in cable subscription packages, the Broadcasting Commission wishes to provide clarification on matters raised. The Commission is looking into public concerns regarding Flow and Digicel's recent removal of channels from their cable subscription packages.

While the Commission does not direct the commercial decisions of cable operators, they are required to comply with conditions set out in their licences, including obligations relating to notice. This matter is receiving priority attention, and a further update will be provided at the conclusion of the review.
